Executive Summary

Discover The Beauty Woman Empowerment Inc. is a non-profit organization founded in 2014 by Maslande Frederic, also known as MandyFresh. The organization is an extension of Faces Made Beautiful LLC and aims to empower and strengthen women and men from all walks of life by addressing issues fundamental to economic progression and social development.

The organization's focus is on low- and moderate-stipend communities and aims to make a positive impact in the lives of individuals and families by investing in basic needs related to small business, entrepreneurship, financial literacy, and neighborhood revitalization. Discover The Beauty Woman Empowerment Inc. achieves this through a virtual center, mentorship program, community seminars, and workshops in education.

Discover The Beauty Woman Empowerment Inc. is a grassroots organization with a boot-on-the-ground approach. Their primary goal is the transformation of people's lives, leaving no one behind. The organization continues to shine as a light, investing in basic needs, workforce development, and education, and striving to make a difference in the lives of individuals and families. We evolved over the years into an impeccable organization that extends beyond image building to help women and men in areas such as credit repair, entrepreneurship and business startup, mental health, financial literacy education, and more. The organization is committed to making an impact in the lives of men and women in Broward County, Florida, and is fully transparent and committed to positive impact.
